MEMORANDUM FOR: Deputy Director (Intelligence)

SUBJECT: NSCID 10 Letter

1. Vacations and discussions among interested parties have delayed the attached. If General Smith protests the delay, blame me.
2. However, there has been, I believe, considerable benefit and clarification from working level discussions over this period, including discussions with State.
3. For your's and the General's information only. Within State, Park will not be able to move the Science Advisor, Koepfli, from some of the views in his letter without outside aid. A major purpose of his letter, it is my hunch, is to bring to bear a third party, though it does not follow that Park will necessarily agree with all the points in the proposed reply.
4. I recommend you sign the attached and because of my paragraph 3, above, recommend the DCI sign the letter.
